Community Alert Siren Test

Wednesday, September 21, 2011

Please be advised that the City of Dana Point will be conducting a very brief growl test tomorrow on one of the Community Alert Sirens.

This test is required in order to put a siren back into service after a repair was made. The siren being tested is along Beach Road and may be heard in San Clemente and Dana Point Harbor. The siren will be turned on only long enough to verify that it functions.

The City anticipates this test to occur around noon on Wednesday.
This is only a test, for more information please contact the
Emergency Coordinator for the City of Dana Point at (949) 248-3579

If you wish to unsubscribe from future mailings, please call OC Dana Point Harbor at
