

Weather Advisory

January 24, 2012

High Winds Watch in effect until Wednesday afternoon

The National Weather Service has issued an advisory for high winds in the Coastal Orange County area.

Beginning today and continuing into Wednesday afternoon the National Weather Service reports that potentially damaging wind gusts of at least 35 MPH are expected; winds this strong can create challenging boating conditions and make driving difficult.

Everyone should use extra caution.

For current weather conditions or additional information, please visit the National Oceanic and Atmospheric Administration online at: www.NOAA.gov or call (858) 675-8700.
