

# Fourth of July Tips

Independence Day is by far the busiest day in the Harbor. Below are some tips for an enjoyable holiday in the Harbor:

- Plan ahead and bring supplies to the boat prior to the event.
- Arrive early and stay put. If you leave your parking space it likely won't be there when you get back.
- Marina staff will be present at each gate to prevent misuse and close lots when full.
- Campers, RVs, and trailers are prohibited and will be towed.
- Fireworks on the dock are a serious fire hazard and violations will be taken very seriously.
- Parking lots and roads into the Harbor will be closed by Dana Point Police Services prior to the fireworks.
- Be respectful of your neighbors and be patient.
- Please no water balloons. They can be harmful to birds.
