

# Dana Point Harbor Underwater Cleanup

OC Dana Point Harbor is planning a second underwater clean-up event on October 17<sup>th</sup> from 8:00am-12:00pm. This underwater cleanup will take place in the East Basin Marina on the cove side between Gangway E and Gangway J. OC Dana Point Harbor seeks certified volunteer scuba divers to search the harbor bottom and recover dropped objects, and kayakers to act as support and safety vessels. For their entry fee and volunteer efforts, participants will receive a continental breakfast, lunch, and an event T-shirt.

The kick-off event in May of this year recovered miscellaneous debris which included cell phones, tools, chairs, keys, a marine head and even two bicycles. A significant amount of recovered debris was hauled away for proper recycling or disposal.

This effort is part of OC Dana Point Harbor's continuing water quality improvement program; the semi-annual event will move throughout the east and west marinas on a multi-year cycle.

Certified divers and kayakers can register and obtain more information by contacting the Dana Point Marina Company at (949)496-6137.
