Subject: Orange County Housing Authority 5-Year and Annual Public Housing Agency Plan FY 2010-2014

Dear Ms. Brockington:

On April 8, 2010, OCHA successfully completed the electronic submission of an updated 5-Year and Annual Public Housing Agency (PHA) Plan for FY 2010-2014, as instructed for a HUD designated high performing PHA. Included were the following forms with electronically scanned original signatures:

Certifications: CAO94a v01: HUD-50077 PHA Certification
CAO94b v01: HUD-50077-SL PHA Certification of Consistency
with the Consolidated Plan
Attachment: CAO94c v01: Board Approval and Minute Order of OCHA 5-Year
and Annual PHA Plan

The attached Annual Plan, Certifications and additional related attachments are also being submitted to your office for your review, in compliance with HUD requirements. Please note that page 5 (PHA Plan Update) lists a number of provisions related to the Violence Against Women Act (VAWA) and references OCHA's Administrative Plan for FY 2010 that will be approved by the Board of Commissioners in May 2010. The new version of the Plan incorporates VAWA protections more comprehensively throughout the document and we will send the updated Administrative Plan to your attention upon approval. Also, page 10 of the Annual Plan indicates that OCHA's five-year goals and objectives are consistent with previous goals and objectives, which have not been significantly amended or modified. OCHA would define a "significant amendment" and "substantial deviation/modification" as objectives or goals that would contradict or conflict with previously established goals and objectives.

Should you have questions or need additional information, please contact Housing Assistance Manager John Hambuch at: (714) 480-2830, or by e-mail: John.Hambuch@occr.ocgov.com.

Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

(a) GOALS AND OBJECTIVES FOR THE NEXT FIVE YEARS: 2010 to 2015

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- **OCHA Goal:** Expand the supply of assisted housing by applying for additional rental vouchers when HUD funding becomes available.
- **OCHA Goal:** To improve the quality of assisted housing by maintaining a high SEMAP rating in voucher management and program operations to more efficiently serve the needs of our clients.
- **OCHA Goal:** To increase assisted housing choices by providing clients with information regarding their options in seeking units located within and outside of OCHA's jurisdiction, under the provisions of Mobility and Portability. Conduct outreach efforts to owners with rental properties to encourage their participation in the HCV program.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals.

- **OCHA Goal:** To promote self-sufficiency and asset development of assisted households by offering and coordinating supportive services options that focus on improving employability, and offer assistance to the elderly and disabled in obtaining and maintaining independence.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans.

- **OCHA Goal:** To insure equal opportunity and further fair housing objectives by undertaking affirmative measures to provide access to a suitable living environment in assisted housing regardless of race, color, religious national origin, sex, familial status, or disability, in any bedroom size unit.

(b) STATEMENT OF PROGRESS IN MEETING GOALS & OBJECTIVES OF LAST 5-YEAR PLAN: 2005-2009:

OCHA Goal: Expand the supply of assisted housing:

- In 2007, OCHA entered into an agreement with HUD and FEMA to administer the Disaster Housing Assistance Program for eligible displaced families. OCHA was later awarded four additional Housing Choice Vouchers for these families.
- In 2009, OCHA was selected to administer HUD's-Veterans Affairs Supportive Housing (VASH) program for veterans referred by the Veterans Administration facility in Long Beach and received an award of 70 VASH vouchers to assist homeless veterans and their families.
- In 2009, OCHA established a collaborative relationship with Habitat for Humanity to promote homeownership opportunities for eligible HCV participants.
- In 2008, OCHA submitted an application for 100 Family Unification Program HCVs, but was not selected for funding. In 2009, OCHA submitted another application for 100 HCVs in response to HUD's NOFA.
- Between 2005 and 2008, OCHA received five new Shelter Plus Care (S+C) grant awards, totaling **\$10,004,400** to assist an additional **125** homeless and chronically homeless disabled persons and their families in obtaining permanent housing. For the current 2009 Continuum of Care NOFA, OCHA submitted an application for two new S+C projects, totaling **\$2,120,580**, to serve an additional 25 chronically homeless and disabled persons. OCHA currently administers ten (10) S+C projects that provide permanent housing for **482** disabled participants.

OCHA Goal: Improve voucher management (SEMAP score):

- For the fifth consecutive year, OCHA has been rated as a "High Performance PHA", and scored 103% on the 2009 SEMAP Certification. OCHA has consistently received five bonus points in SEMAP for de-concentration.
- OCHA has maintained an average lease-up rate of 99% or higher during four of the past five years, to assist at least 9,522 to 9,619 households each month.

OCHA Goal: To increase assisted housing choices in units located within and outside of OCHA's jurisdiction.

- OCHA has maintained efforts to recruit and expand the number of property owners and variety of housing choices by participating in apartment industry associations and events.
- Over the past five years, OCHA has worked in collaboration with the Anaheim and Garden Grove Housing and Santa Ana Housing Authorities to enable over 760 assisted tenants, who elected to reside in one of these adjacent jurisdictions, under the provisions of a Mobility agreement. OCHA has also assisted over 200 portability families who requested to move out of Orange County under the HCV portability provisions during the past five years.

OCHA Goal: To promote self-sufficiency and asset development of assisted families.

- OCHA's Family Self-Sufficiency (FSS) program has assisted **219** families to achieve their goals and graduate.
- Currently, there are **263** active FSS participants, of which **165** (63%) have maintained a positive escrow balance, which, in aggregate, totaled over **\$ 649,312** in escrow funds.
- In 2009, **\$176,077** in escrow funds was dispersed to **10** graduating FSS households. Two of the graduating families moved to non-subsidized housing.

OCHA Goal: To insure equal opportunity and further fair housing objectives.

OCHA undertakes affirmative measures, initially at program briefings and again during annual re-certifications, to keep participant and applicant families advised of their civil rights regarding access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability. In addition, OCHA networks with over 180 community organizations and 31 participating cities to ensure awareness of and enforcement of fair housing laws. OCHA's Annual Plan is also consistent with Orange County's Consolidated Plan in furthering these objectives.

The Orange County Housing Authority (OCHA) will take reasonable specific steps to affirmatively further fair housing in all of its programs and operations. These steps include, but are not limited to the following: OCHA includes a Fair Housing brochure in all Briefing Packets, advising applicants and participants on how to file a fair housing complaint. The brochure includes the toll-free number for the Housing Discrimination Hotline: 1-800-669-9777, and the Federal Information Relay Service number: 800-877-8339. In addition, Fair Housing posters are printed in three Languages; English, Spanish and Vietnamese and are placed in OCHA's lobby for distribution.

OCHA will affirmatively further fair housing and comply with requirements of 24CFR Section 903.7(o) by doing the following:

- Examine OCHA's programs and proposed programs.
- Identify any impediments to fair housing choice within those programs.
- Address those impediments in a reasonable fashion in view of the resources available.
- Work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that requires OCHA's involvement; and
- Maintain records reflecting these analyses and actions

OCHA will take the following proactive steps in addressing problems with persons with disabilities:

- When requested by an individual, assist program applicants and participants to gain access to support services available within the community, but not require eligible applicants or participants to accept supportive services as a condition of continued participation in the program.
- Not deny persons who qualify for a HCV under this program other housing opportunities, or otherwise restrict access to OCHA programs to eligible applicants who choose not to participate.
- Provide housing search assistance when requested. Lists of available units that include accessible units for people with disabilities are provided to participants. The list is updated weekly and is available in the lobby. Upon request, a Referral List may also be obtained either by mail, email or by FAX.
- In accordance with rent reasonableness requirements, approve higher rents to owners that provide accessible units with structural modifications for persons with disabilities.
- Provide technical assistance, through referrals to the Fair Housing Council of Orange County, to owners interested in making reasonable accommodations or units accessible to persons with disabilities.

Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

Housing Needs: In 2009, Orange County was ranked the third most populated county in California and the fifth largest in the nation with over 3,121,251 residents. The Orange County Housing Authority's (OCHA) jurisdictional population comprised 72% of the county's total population. OCHA provided rental assistance for over 9600 HCV families residing within 31 cities and unincorporated areas of Orange County.

Orange County covers 798 square miles and has a population density of 3,954 persons per square mile, making Orange County one of the most densely populated areas in the United States.

In 2009, Orange County had the second highest Housing Wage needed within California for rental housing.

Service-providing employment accounts for almost 80% of all jobs in Orange County. In 2007 the county's unemployment rate was at 3.9%. Currently, the county's unemployment rate is more than 10%.

A renter household in Orange County must earn an hourly housing wage of:

- \$ 24.92 per hour to afford the housing costs for a one-bedroom apartment.
- \$ 29.73 per hour to afford the housing costs for a two-bedroom unit.
- \$ 42.08 per hour for a working family to afford housing costs of a three-bedroom unit.

Elderly and Disabled: The highest percentages of the population living at poverty level are the elderly and disabled. In 2009, 16% of the population in Orange County were elderly and disabled persons living on a fixed income from social security (SS) and/or supplemental social security (SSI) benefits equivalent to 30% or less of MFI. The severe cost burdens of the elderly and disabled have been even further exacerbated as California began reducing SSI benefits in May, July and November of 2009 in an effort to address the state's ongoing financial crisis.

While the disabled population is diverse, persons with mobility impairment face many of the same challenges faced by the elderly in their search for affordable rental housing. Because of their physical limitations, this population needs affordable housing that is *located* near public transportation, shopping, and medical facilities.

OCHA Wait List :

In 2005, OCHA opened the Wait List for thirty days for the first time in over five years. At the end of thirty days, there were 18,601 eligible names placed on OCHA'S Wait List.

As of December 2009, there were 9,832 applicant names remaining on the Wait List; 2,675 were elderly and 2,330 were disabled and the remaining were working and nonworking families or individuals. The average wait time until an applicant receives a voucher is three years. OCHA anticipates opening the Wait List sometime in late 2011.

Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.**

1) OCHA will optimize the number of affordable units available within its current resources as follows:

- Enact measures such as multiple Payment Standard Schedules to promote greater access to affordable housing among families assisted by OCHA in diverse rental submarkets markets and for various unit sizes.
- Maintain a goal for a 99% lease-up rate by marketing the program to owners, providing high service levels to retain current property owners and their units, and ensuring timely responsiveness for leasing households who locate a prospective rental unit.
- Monitor lease-up and budget data to optimize resources and relate these to rental market conditions and trends.
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies.

2) OCHA will increase the number of affordable housing units as follows:

- Apply for additional HCVs or funding for Vouchers to ensure that new or currently allocated resources can be fully utilized.
- Collaborate with the Housing Development Division, member cities or other organizations for opportunities to leverage affordable housing resources in the community through the creation of mixed-finance housing for affordable rental or homeownership.
- Whenever possible, pursue additional housing resources other than HCV tenant-based assistance. Encourage and solicit owner participation in outreach materials and marketing efforts.

3) If additional HCV funding becomes available, OCHA will:

- Apply for additional HCVs for waiting list applicants.
- Apply for HCV funding that may be targeted for the elderly, non-elderly disabled, or other populations such as veterans.
- Establish admission preferences if needed to utilize targeted funding opportunities.

4) OCHA anticipates opening the Wait List in 2011; at that time OCHA will:

- Research and explore opportunities and technologies that will inform the public, especially potential applicants who are difficult to reach or who are less likely to apply. Marketing will also include newspapers that publish in English, Spanish and Vietnamese.
- Collaborate with community-based nonprofit organizations, cities and government agencies to assist with outreach efforts and strategies.
- Collaborate with community-based nonprofit organizations, cities and government agencies to assist potential applicants with submitting an application, including: access to computers or fax machines, providing locations, translation, personal assistance etc.

5) OCHA will maintain and update a Referral List:

As a service to both tenants and owners, maintain a listing of available and vacant rental housing to optimize housing opportunities – especially those outside areas of poverty or minority concentration.

SUMMARY:

Conducting a public hearing and approving OC County Housing Authority's 5-Year PHA Plan and the Annual FY 2010-11 Plan will comply with Federal requirements and demonstrate Orange County Housing Authority's continued commitment to addressing the housing needs of very low and low-income households.

BACKGROUND INFORMATION:

On March 15, 2005, your Board approved the Orange County Housing Authority's (OCHA) 5-Year Public Housing Agency (PHA) Plan, which covered FY 2005-06 through FY 2009-10. The PHA Plan identified the local housing needs of very low and low-income households within OCHA's jurisdiction; established the goals and objectives for addressing identified needs; and outlined strategies for accomplishing goals and objectives. Annually thereafter, and most recently on March 24, 2009, your Board approved OCHA's annual Plans which provided detailed information regarding program operations, activities, and the accomplishments made toward meeting the goals and objectives established in the 5-Year Plan.

OCHA is submitting an updated 5-Year Plan, which covers FY 2010-11 through FY 2014-15. The Orange County Housing Authority's 5-Year Public Housing Agency Plan includes continued and revised goals, objectives, and strategies that will address the housing needs of very low and low-income households over the next five years. Included in this 5-Year Plan is the Annual FY 2010-11 Plan which reports on the progress OCHA has made toward meeting goals and objectives of the previous 5-Year Plan.

In compliance with Federal regulations, OCHA has notified community stakeholders and the public that the 5-Year PHA Plan and current Annual FY 2010-11 Plan are being updated. The public has been provided the opportunity to review and comment prior to final approval by the OCHA Board of Commissioners through the following processes:

- Public notices announcing the public review period and public hearings were published in the Miniondas on January 14, 2010, and the Orange County Register and Nguoi Viet News on January 17, 2010.
- OCHA's draft 5-Year PHA Plan and the Annual FY 2010-11 Plan were posted on the OC Community Services website on January 14, 2010.
- An Information Bulletin announcing the public review period and public hearings was sent electronically to cities and non-profit organizations on January 26, 2010.
- Two public hearings were scheduled and conducted : (1) on February 25, 2010 at the H&CD Commission meeting and (2) on March 30, 2010 before the Board of Supervisors, sitting as the Board of Commissioners of the Orange County Housing Authority. No comments were received at the February 25, 2010 public hearing. Comments received at the March 30, 2010 public hearing will be incorporated into OCHA's 5-Year Public Housing Agency (PHA) Plan and the Annual FY 2010-11 Plan prior to submittal to HUD and distribution of the final document.
